Presidents Report.

The year is coming to an with only a hand full of events to go. This weekend sees our attempt at a hill climb at Bagshot; it is also a round of the VCAS so the field will be a large and varied. Please note that there are definitely no entries on the day, early entries close on the Wednesday before the event.

Then the weekend after it's the final round of the Mallee Shield with off roaders coming from across the state for this event.

For both these events we need your help, from everything from working in the canteen to observation points around the track. If you can help let us know, and remember if you get in early you get the best places.

The Bendigo Car Club has a strong history and one of the key features of the club is its diversity. With so many different activities for our members to choose from, we are finding it difficult to provide sufficient officials for these events. All too often it is the same few members left to do the majority of the tasks within the club.

As a result a new system of officiating amongst our members will be used for the 2010 season. The effect of this is to allow more members to participate and enjoy their day of competing and take the load off the few that have done it in the past.

**Yours in Motorsport.
Craig Button
President Bendigo Car Club.**

Upcoming activities

8 th November	BCC Hill Climb and VCAS	Bagshot
15 th November	Bagshot Short Course Off road Mallee Shield	Bagshot
29 th November	BCC Social Tour	All over.

BCC Championship Eligibility

To be eligible for the 2009 Bendigo Car Club members must official at an event run by the Bendigo Car Club that does not form part of the Bendigo Car Club Championship. There is only 1 more event available for members to undertake officiating duties for the championship points; that is the Final round of the Off Road Mallee Shield on the 15th of November. If you haven't undertaken this role by now your points will not be displayed on the points table on the notice board at upcoming events.

REPORTS

DECA Sprint 4th October.

Several members travelled to Shepparton for the DECA sprint again this year. With the majority of the field being BCC members it is not surprising our members filled many high places. The results are on the website or attached to this newsletter.

Mt Tarrengower Hill Climb 25th October

Once again we had a large involvement in the organising and running of this classic event and Peter Valentine and his team, needs to be congratulated for effort in making this a very successful event. At the time of printing results haven't been passed on.

OFF ROAD

Several members travelled to Sealake for the delayed 6th Round of the Mallee Shield. Jim Coombs and Natasha Gill-Symons in a Super 1650 buggy took 3rd outright and 2nd in class, with Craig Button and David Anderson limped around all day with many problems to be the last finisher, but due to the high number of DNF's they still managed 1st in class.

The final round will be at Bagshot on the 15th November.

Next year's Victorian Off Road calendar should be available soon.

Rally

The HRA hired Bagshot on 3rd October for a rally sprint, there was 2 BCC members participating, Craig Hardiman who finished 10th outright and Tony Moore in 14th outright. The following day Tony Moore organised a training day for the VRC Excel competitors.

If you have a report on any event/activity you wish to let us know about please send to enquires@bendigocarclub.com.au

TOTAL FIRE BAN DAY POLICY

On days of Total Fire Ban there will be no activities conducted at the Bagshot Motorsports Complex. This also includes events, track maintenance, private practise, etc.

NEW POSITIONS WITHIN THE BCC

The Bendigo Car Club is looking for enthusiastic members that would like to organise social activities for members of the club, whether it is a social tour or a shopping trip to Melbourne. If you think you fit the bill, please approach any of the committee and we can start from there.
