## Presidents Report.

Firstly I would like to welcome Jim Gill to the committee of the BCC and thank the outgoing committee member Gary Davis for his service over the last 3 years. Jim hopefully brings a fresh perspective to the committee to help continue to guide the club into the future.

Later this year we will be celebrating the club's 60<sup>th</sup> anniversary, Craig Hardiman and Mick Elvey have taken up the have taken up organising the night and they have asked for any memorabilia that members would like to lend the club for the night. It is hoped that as many of the previous members will be contacted to invite them along.

After a no event August there is going to be a rush over the next 2 months with 5 events planned.

The first is the CVAC day/night autocross on the 4<sup>th</sup> September and due to an oversight by me in submitting the supp regs I left out that the event and the series is ROAD TYRES ONLY. This has created some confusion about club championship or CVAC points, but the regulation is for all entrants. Then on the 18<sup>th</sup> will be our round of the VMC see note below.

Over the next month the 2011 club calendar is being drafted and if anybody has any ideas on the type of events or the way the club championship is worked out please contact one of the committee members so that the committee can get something worked out at the September Committee meeting

**Yours in Motorsport.

### **Victorian Motorkhana Championship Round 7, 18<sup>th</sup> September at Bendigo Livestock exchange.**

As this year it's going to be a shakedown for the Aust Motorkhana Championship, there is going to be 3 reversing tests (of 9) that will be harder than normal.

The pits will be behind the canteen on the dirt truck park area and don't forget to entry early has it is cheaper.

At least 8 club members are required to officiate on the day the tasks are no different to what normally happens at our normal club days. If you can help out on the day please contact Brian Shanahan.

**22<sup>nd</sup> & 23<sup>rd</sup> October. Bendigo Livestock exchange.**

Supp Regs are currently at CAMS but should be released by the General Meeting. If you are going to enter please read the Supp Regs as entry close 10 days before the event.

There is going to be 12 tests run with 5 reversing test plus a top 10? drivers shoot out at the end of the day. I am willing to help any BCC members with details about the tests.

Currently we have 2 sponsors, KYB Shock Absorbers and Phoenix Lubricants. If you want to become a sponsor ring or email me. It would be nice to have some local input on the program.

If you are going to help out on the day I would appreciate your names so we have idea on how many officials need to be found.
