Presidents Report.

With December comes to the end of a long year of motorsport. This year has seen a long and hard fight for both the senior and junior club championships, both are still to be decided at the final event for the year at the Saleyards in Huntly on Saturday 10th December.

Back to the November event it was Barry Farnell who has staged a late championship charge taking out the khanacross ahead of Brock Snowden and John Hardiman while in the juniors Paul Wells once again was the standout junior in the motorkhana only 0.7 sec behind the overall winner, Jim Coombs, even after the 5sec penalty was calculated.

Credit has to be given to Natasha Gill-Symons who bet her two siblings and mum in the motorkhana in 13th outright from 31.

There was a working bee held on the 20th November to make a start on Frankie's picnic area. With small core group of suspects attending the framework was erected with the footings and roof to be done very soon.

As this is the last report for the year, I would like to take this opportunity to thank every one who allowed us all to indulge ourselves in our pastime and wish everybody a happy and safe Christmas and New Year with family and friends. Before returning for another enjoyable year of motorsport in 2006.

**Yours in Motorsport.
Craig Button
President Bendigo Car Club.**

PRESENTATION EVENING

The presentation of trophies for the 2005 season will be conducted at the Maiden Gully Clubrooms on the 21st January. A BBQ will be provided for members and their families with motorsport orientated videos and photos shown afterwards.

2006 JUNIOR CHALLENGE

On the 26th March 2006 the Bendigo Car Club will attempt to conduct a day just for juniors. This will incorporate a Motorkhana and depending on interest, a Khanacross. It will be a stand-alone event, not part of the usual BCC club championship, with trophies presented on the day.

COMPLEX MAINTENANCE

Work is progressing on the repairs on the new grader, it is hoped that it will be going early in the New Year. The toilets are to be upgraded over the next few months as well as the dam fencing are to be finished off.

On next years calendar there has been at least 2 twilight/ night events list so Graham Symons has been involved in organizing the preparation of the light poles located near the main gate so the can be erected around the pit area.

If anybody can help out with any item of maintenance around either Bagshot or Maiden Gully, don't hesitate to contact Jim Coombe, Roger Hall or Craig Button.
