Presidents Report

Wow the year is flying along, we are past the 1st quarter already!!

Since the last newsletter we have had 2 events, the first at Bagshot to kick off the year, unfortunately it was very dry and dusty with track breaking up, results had been previously sent out. Jim has been trying to get it back up for the 14th April and we are all wishing for steady rain, as I am writing this report it's raining very nicely, fingers crossed it will wet the track nicely for next weekend.

The other event was the Harrie Larter Cup at the Huntly Salesyards, a full field of 40 drivers were given 9 tests, in the end the results went down to the wire with Brendan edging out Tom by a meagre 0.20 seconds. I would like to thank all the members that attended and helped out on the day. Jacqui had organised a vehicle display on the day with a good showing of a big variety of road cars, bikes and racecars.

Our next event planned is the BCC Autocross, regs will be available later this week, depending on yteh track condition after this rain event.

Other news from within the club, the power cable has been run across the paddock and road and is now at our boundary, the committee is currently working on getting the power meter box sorted and then there will be a working bee to run the cable and connect to the main board at the generator shed, I' looking forward to the day we can flick a switch instead of running a generator all day.

Yours in Motorsport.
Craig Button.

In the News: -

Motorsport Australia is introducing a new licencing structure for coaches to help enhance the development of drivers. It's a free program and offers 2 levels – Coach and Senior Coach. A comprehensive range of resources will be made available to help individuals in the coaching roles.

MotorActive have signed on for another 2 years of support. Meguiars is the official car care partner and includes the Shannons SpeedSeries and Bosch Motorsport Australia Rally. They are one of Australia's most respected brands.

Ryco will also serve as the official Filtration Partner for the above as well. They are Motorsport's Official Filtration Partner for the next 2 years. They join an ever growing list of partners for Motorsport Australia.

Motorsport Australia has now published it's Manual, Technical Appendix for 2024 For a quick look at some of the changes, check out Motorsport Australia's Speed Read.

On a lighter note:

What happened to the Easter Bunny when he misbehaved at school? He was eggspelled!

Why shouldn't you tell an Easter egg a joke? It might crack up!

How many Easter eggs can you put in an empty basket? Only one. After that, it's not empty anymore!

What do you get when you pour hot water into a rabbit hole? Hot cross bunnies.
