Presidents Report

Wow, halfway through the year, where did that go?

With the BCC 2023/24 club championship done and dusted, the AGM/Presentation night is just around the corner. Save the date of the 3rd August.

But before that we have three events, first is the Off Road Sprint, for off road log booked vehicles, on the 7th where a few helpers are needed. Then the following weekend we host our round of the Vic Motorkhana Championship at the Huntly Salesyards. Regs for these 2 events are on the BCC website. The 3rd event for July is the BCC Rd of the Vic Khanacross Championship at Bagshot, regs should be available for that soon.

Over the recent months we have had a few helpers get on board to assist Jim with the upkeep of Bagshot, when you're out there next, you'll notice the work the guys have done on the track and surrounding areas. It is aimed to have a working bee later in the year to continue their work. The power connection out there is moving slowly, but it is still progressing.

The club has purchased 2 wheelie bins to be used for the container return scheme, one will be at the clubrooms the other will be at Bagshot, more will be purchased as needed.

Back to the 3rd August, the format for this year is a little different than last year, we will again kick off with our AGM, hoping it will be short and sweet, before moving on to BCC Round trophies then BCC Championship trophies, instead of a sit done meal, there will a finger food supper at no cost to attendees, drinks will be available to purchase on the night.

As usual as part of our club rules (constitution) there will be an election for the vacated committee position on the night, in the meantime if you feel you have something to give back to the club, please consider nominating for the committee.

I've said enough for now.

Yours in Motorsport
Craig Button.
