Presidents Report

The end of the year has snuck up on again, the last event for the year is this weekend before the summer break.

Next year is looking to be another busy year, I know the calendar was distributed last month, but there is a couple of updates already, Eddington Sprints is on the 29th of March, not the 22nd as previously advertised (my mistake), the day/night Autocross in July is now a round of the VCAS and we are still waiting to hear from Motorsport Australia about our application for the Australian Khanacross Championship in November.

There is also news regarding the Eddington Sprints, Roger Boehme, has reluctantly stepped back from the lead of the event, this means the Mt Tarrengower committee will now, on behalf of the BCC Committee, take the event under its wing. As always if anyone wishes to assist with either of these events, please contact Chris Hume.

Next year with the growing numbers of juniors and ladies, sees the return of The Juniors and Ladies Day as well as a dirt motorkhana only event at Bagshot.

On the 17th of November, we as a club travelled to Shepparton for a social cruise, it was well supported, next year depending on circumstances, we may run 2 of these, we have had a couple of suggestions already.

As most of you are aware, Craig Hardiman and family are now helping to look after the clubrooms and yard. They have tidied up, well done!

Bit of an update on the power at Bagshot, the meter board has been installed and we are waiting on Powercor to inspect and install the meter, after that we will organise a working bee to run the cable from the meter to the generator shed.

While on Bagshot, Kevin, Matt and Adam have to be congratulated for the work they have organised both on and off the track, the place in looking a treat and the feedback from the last few events the track condition has been very good.

Lastly, I, on behalf of the committee and myself, wish you all a happy and safe Christmas and New Year, hope Santa brings you everything you wish for.

Yours in Motorsport.
Craig Button
