Presidents Report

Another month roles on. We are in the middle of a very busy period with 2 events ran in April and 2 planned for May, our events are drawing full fields, in this case, unfortunately there will be some that miss out, I know in the past we ran up to 100 entries, but this was when were able to run up to three courses at once and everyone pitched in to help out. If we were to increase our fields, and what to maintain a good amount of track time for all WE ALL need to pitch in, not just the same ones each month, please think about this!!!!

Going forward we are planning to lay the power cables from the meter to the main board in the next couple of weeks, this is getting real and long time coming.

Coming up we have a couple of big events, the VMC Rd, VKC Rd VCAS Rd, the Mt Tarrengower Hill Climb and then in November the big one, The Australian Khanacross Championship. In each case these events are planned by the committee and/or sub-committees leading up to them. I know I'm repeating myself, but when these events come around, we need our membership to step up and help out.

We are now coming to that time of the year as well, Bendigo Car Club Memberships are close to being due, 30th June, Renewal forms will be sent to all current members and will also be available of the club website in the coming days.

I would like to finish off saying that everyone in the Bendigo Car Club are volunteers and, in most cases, work for a living, either in their own business or for a boss, meaning our time can be limited and we are doing the best we can and sometimes miss things and make mistakes. So please remember this next time you think we may not be doing a great job.

Yours in Motorsport
Craig Button
