President's Report

On Saturday 27th Chris ran around the Rally Sprint track with the blade and the roller. Shane turned up on Sunday. We hope to be able to run the Rally Sprint next week but it could be touch and go with the expected rain they are forecasting. We spent about 5 hours grading the track and rolling it. I learned to drive the tractor. I didn't crash it.

Sometime next month we will be starting on the shelter over the canteen and the eating area depending on the weather. The frame and some of the roofing has been done on our scrutineering shed. We are waiting on the quote for the cladding for the front of the clubrooms. When they are done we will be able to start on the timing tower. It will be getting new windows and a paint job. Louvre windows don't keep the dust and dirt out, so they have got to go. At least we will be able to make it more comfortable for the timers.
A lot to do and everybody is time poor.

General meeting this Thursday, hope to see you all there.

Yours in Motorsport

Kevin Symons

President.

- Why are race car drivers the best people to go to for dating advice?
  They're trained to look for red flags
