**JUNE GENERAL MEETING  
TO BE HELD AT**

**Bendigo Car Club Rooms**

**Thursday 2nd at 8pm.**

The 15<sup>th</sup> May seen the latest round of the Bendigo Car Club Championship at Bagshot, and once again we have a different winner in the Khanacross and Motorkhana.

Rohan Climas is the only repeat winner this year being the 1<sup>st</sup> senior home in the Motorkhana, which he achieved in April, ahead of Luke Hume, 1<sup>st</sup> Junior and Cameron Williams.

Brock Snowden took out the Khanacross in his AWD Subaru ahead of Harrie Larter (escort) and Paul King (mini panel van). The first junior home was Garrett Pinnell.

Since the day with the Transport management unit in November the club's Junior Program has been gaining strength, which can be seen in the number of juniors now attending the monthly events at Bagshot, with 14 competing out of a total of 27 at the last event, many have their own vehicles but there are some who are still taking advantage of the club's junior cars. I'm also pleased to see that most of the senior members are willing to help juniors, giving them pointers as they compete in both the aspects of the event.

Hope to see everybody on the 5<sup>th</sup> June for the next round of the BCC championship.

## Upcoming events to remember

<b>5<sup>th</sup> June</b>	<b>Khanacross/ Motorkhana</b>	<b>Bagshot</b>
<b>10<sup>th</sup> July</b>	<b>Khanacross/ Motorkhana</b>	<b>Bagshot</b>
<b>30<sup>th</sup>/31<sup>st</sup> July</b>	<b>Off Road Vic Championship Rd 3</b>	<b>Bagshot</b>

## NOTICE TO ALL COMPETITORS

The Committee after much discussion, decided that competitors that have not completed their pre-event paperwork before the close of entries, which is clearly listed on the Supp Regs and/ or lined their competition vehicle in the scrutineering line, would forgo their first competition run, which will be deemed to be a WD.

This has been brought about following the slow starts at the last 2 events and so that those competitors who make the effort to do the right thing don't have to stand around and wait for the stragglers.

## COMPLEX MAINTENANCE

By the time you receive this report it is hoped that the safety fence posts will be cemented in around the dam, a big thanks to those members and competitors who took the time to assist with this. Some of this fence is being funded through the grant received from CAMS to improve the Health and Safety at Bagshot for members and their families.

## REQUIREMENTS AT CLUB DAYS

At the December 2004 General Meeting of the Bendigo Car Club, the members requested that rally tyres be allowed at club activities on the Autocross track at Bagshot. After discussion during the meeting with the Complex Maintenance group it was moved to allow rally tyres provided that Rally spec Mud Flaps be fitted to all non-registered vehicles this information can be found on the club's web site and in the CAMS manual in the Rally section (11-42 8.2 item (iv))

## CAR CLUB MERCHANDISE

T Shirts \$23, Windcheaters \$30 and Baseball style caps \$15 are still available. Also, limited numbers of cloth patches with the club logo are available for \$6ea. Those interested should contact John Hardiman.

The administrator of the web site needs your input with information. Send any items of interest to [enquires@bendigocarclub.com.au](mailto:enquires@bendigocarclub.com.au) what ever they may be: photos, links to other sites, reports on events that you have been to or things that you would like to advertise for sale or buy.

This site is for your use and to make it work it needs your support.

## OFF ROAD NEWS

At the recent Mallee Shield rd at Avalon there were 3 BCC members there, unfortunately none of them did any good. Dean Bennett and Gemma Tobias in the newly acquired Hilux had major overheating problems, Nick Greenman in his 240K suffered steering problems and Craig Button and David Anderson had a gearbox problem after a close encounter with some very large rocks.

The next event on the Off Road Calendar is the Sealake Mallee Rally. There will be a strong representation at this year's rally with at least 5 crews attempting the challenge.
