Presidents Report.

Welcome to another year of motorsport. Unfortunately 2006 finished early due to a Total Fire Ban day, but with the hot and dry conditions I don't believe anybody was disappointed.

Congratulation to all the winners during the 2006 championship. Once again Barry Farnell stole the show overall with Mathew Stratford taking the juniors championship in his first year and Melissa Mackenzie taking the ladies.

It was great to see the number of members, both the new and the not so new, including many of the club's life members in attendance at the presentation evening. This year the weather favored us a little more than last year as well.

On to this year and the first activity will be a social day on the 4th February. The basic format for the day will be the same as a normal khanacross/motorkhana event, except that competitors will only be required to complete 2 khanacross tests with 2 attempts at each, with their score being the difference between the 2 times. This should bring out some interesting results.

The seconded part of the day will be a motorkhana, but to spice it up a little the seniors will have an option to participate in one or more blindfolded tests. Could be a laugh!!

2007 is shaping up to be a big year when you look at the calendar and if the entries for the club championship continue there should be some real good competition throughout the year, maybe somebody can step up and lift the crown from Barry's head?

Yours in Motorsport.

MAINTENANCE

The grader is only to have 2 tyres put on the front and the maintenance crew can go the heart out with their new toy. This has taken longer than expected to get up and running, but with this piece of equipment and the recent purchase of a tyre roller it is hoped that track preparation time will be minimal.

Work has begun on the new toilet block with the pipe work and foundations completed and it is hoped that in the coming weeks the floor can be put down, so as to be able to erect the walls.

One of the main priorities this year will be fencing. First of all finishing of the dam fences and then replacement of the boundary fences adjoining Collins and Wirikie Roads

During this year there will be at least 2 working bees calendared to undertake bigger tasks as well as general house keeping around the complex. It is hoped that if everybody can spare 1 or 2 hours for these it will make everybody's work a lot easier.

CAR CLUB MERCHANDISE

T Shirts \$23, Windcheaters \$30 and Baseball style caps \$15 are still available. Also, limited numbers of cloth patches with the club logo are available for \$10ea. Those interested should contact John Hardiman. Otherwise there will be some available at General Meetings and the Canteen on race days.
