Presidents Report.

Welcome to a new year of motorsport. This year is looking to be a busy one again with a wide range of events being calendared as well as many of our members traveling all over to compete in their own field. Last year we tried a few new ideas some good and some bad. The committee had received lots of feedback during the year and we are always listening to the members, so please feel free to contact any of the committee members with your ideas.

This weekend the club kicks off its 2010 with the annual presentation evening at the clubrooms on Saturday before the BCC Training day at Bagshot on Sunday. The clubrooms have had some work done on them over the Christmas break with new air conditioners installed and a fresh coat of paint inside. Big thanks to Craig Hardiman, Kevin Symons, Jim Coombs and many others that have helped out with the work done. This will hopefully make the rooms a little more comfortable on those extreme weather days that seem to plague us when we have a function there.

The Training day will be run as a kharacross with no official timing on day, but drivers still will be required to conduct themselves as they would at any other event, this means competitors will be asked to help out with officiating duties during the day. There is also the opportunity for members and drivers to get tips from other drivers.

Private practice is allowed at Bagshot as long as members follow the guide lines set down in the private practice procedure, it has been of some concern that this has not always been adhered to. So please if you do wish to travel to Bagshot for this please make yourself familiar with the regulations for this.

**Yours in Motorsport.
