Presidents Report.

It's been a very busy time over the last month with an event on the first 4 weekends of October. These events were well supported by members and congratulation must go out to those that put the time in to help out as officials for these because without your support these events just would not happen. **THANK YOU!**

The largest profile of these must have been the KYB AMC at the Huntly Salesyard. This event may not be at a level of the V8 Supercars but all reports and feed back during and after the event has cemented our position as a highly regarded club with other clubs and CAMS alike. Brian Shanahan led the way for our club in organising the AMC, as well as putting on a great event we also now have 2 new Class Australian Champions. Corey Talbot is the 2010 Junior Australian Motorkhana Champion and John Panozzo took out Class C also become an Australian Champion. Well done guys.

Looking forward to this month we have 3 activities that will show case us again and we all need to get behind these. The first 2 are, the VCAS Hill Climb on the 7th and the final round for the Off Road Championship on the 13th and 14th. If you can help out with these events please contact myself for the VCAS and John Orr on 0419 168 914 if you can help with either day of the Off Road Championship round.

The big one for November is not actually a motorsport event. It would have to be the celebration of 60 years of the Bendigo Car Club Inc (formally the Light Car Club of Australia, Bendigo Branch). On Saturday 20th November we are having a get together at the Maiden Gully clubrooms for a supper and reading of the inaugural 2 meetings held to form what became the Bendigo Car Club. A light supper will be provided for anybody who wishes to come along. It is hoped that members from the past will be there to share their stories with us all

Yours in Motorsport.

EVENT REPORTS

BCC Long Course Autocross 3rd October

38 drivers took on the Long Course autocross this year and with 6 runs available to all competitors there was plenty of action on track and times fell during the day as the track cleaned off, with the fastest time of the day being 1 second faster than last year being a 2:30.38 by Brendan Paynting, Subaru WRX, took the day with a last run flyer beating John Austin, Mitsubishi EVO. Class C went to Rod Martin XU-1 Torana, Class B winner was Peter Panozzo, Datsun 1600, while Class A was taken by Mat Stratford, Suzuki Swift.

Mt Tarrengower Hill Climb 16th & 17th October

About 70 cars and 20 bikes took to the hill again this with many BCC members taking the challenge. The event was taken out by Darryl Duff in a Chev Camaro. The weekend had its share of interesting stories, by far the best one is best told by Kevin Symons; just ask him about where you should drive a Falcon.

22nd & 23rd October. Bendigo Livestock exchange.

81 drivers tackle 12 Motorkhana tests at the KYB Australian Motorkhana Championship held at Bendigo Livestock Exchange on the 22/23 October 2010 by the Bendigo Car Club.

Bendigo's Max Jackman waves the starting flag in wet conditions that proved very tricky for the drivers causing many of to score penalties. As the day dried out times quickly improved then mechanical failure took out many leader drivers.

At the presentation night Frank Coad, winner of the 1960 Armstrong 500, presented the winners trophies.
