## **Presidents Report.**

Well club members our Test and Tune Day is a victim of dry weather it has been cancelled and a small working bee is in its place, 10 till 2:30 on Sunday the 6th of March.

I will value your thoughts on test and tune as they seem to me to be a fang fest without course markers, a tyre wall was knocked down but nobody did it or nobody told the director, so a good case will have to be put up to retain this event.

Also check supp regs for new start times at our club events, if you turn up late you will miss out or have to wait.

Please check with Jim Coomb our membership officer as membership renewals have changed.

Bagshot passed a track inspection by CAMS well done to all members who put in at the working bees Bruce Keys & Andrew Fisher were full of praise for our club.

All events for the year are progressing well and we will need lots of helpers and a couple of chair people for our committees, so if you can put up with a few old codgers you are most welcome.

See you all at the club meeting

## **Weather shelter.**

As you should have read in previous Crossflows, we are still missing a 3X3mtr Blue foldup weather shelter with the Bendigo Car Club logo printed on one side, after the Mt Tarrengower Hillclimb. What we ask is that in your travels please keep an eye out for it at events you are attending and if you see it please let someone know.

## **CLUB MEMBERSHIP RENEWALS**

Any future club membership renewals will only be able to be done at the monthly General Meetings, renewals will no longer be accepted at pre-event check-in at BCC events. Membership renewals will only be accepted if a Membership Renewal Form is accompanied by the relevant fees, forms will be sent out with the May Crossflow, they will/can be found on the club website and a limited number of forms will be at General Meetings.

Other can be arranged with prior approval of the membership secretary.

The current membership fees for the Bendigo Car Club are as follows:

Full (adult)                      \$90

Junior                                \$40

Family, one full membership plus \$30 for each extra family member.

There is also now the option of direct deposit for payment of membership fees, details of which are on the application/renewal forms.

# **VICROADS CLUB PERMIT SCHEME**

As of the 1 February VicRoads have changed the requirements associated with the Club Permit Scheme, these new requirements can be found on the VicRoads website <https://www.vicroads.vic.gov.au/registration/limited-use-permits/club-permit-scheme>

With the VicRoads requirements in mind the BCC committee have reviewed the club's CPS requirements, below is an overview what is now required, the VicRoads requirements will also need to be read in conjunction.

- Full Roadworthy for all new applications. (post 1948)
- All new applications will need to supply a set of dated photos for future reference to the Club Permit Scheme (CPS) Officer. (See below)
- All renewals for the next 12 months must also supply same photos as above.
- All Applications and Renewals to be processed at BCC General Meetings or at a Committee Meeting by appointment, owner must bring vehicle to the meeting where CPS Officer will review the supplied photos against the CPS vehicle, before signing the renewal.
- A copy of all permits/photos/etc will be kept in a locked cabinet at the BCC clubrooms, there will be three (3) authorised signatories, who will have access to this cabinet.
- There will no longer be an annual inspection unless the CPS Officer believes the vehicle has been modified beyond the requirements of the CPS scheme or the vehicle appears to be in an unacceptable standard of condition for a Club permit.
- For all New Applicants they must be a member for at least 6 months and attend at least one BCC General Meeting and one BCC event as a competitor or official, prior to applying for a Club permit.
- Permit holders must still attend at least 2 BCC General Meetings and 2 BCC Events during the permit year before the CPS officer will sign off the CPS Renewal.

Photo requirements are as follows, all photos to be dated and verified.

- Drivers Side, door closed.
- Rear View.
- Driving Position, side view with driver's door open.

## **BCC JUNIORS CARS**

We need somebody to look after the club cars on event days please. Contact Mick Elvey on 0428506492 if you can assist thank you  
At the July BCC General Meeting a motion was passed to restrict the use of the club's automatic junior cars to the motorkhana part of the day. This has been brought about because of the need to preserve these vehicles for young novice juniors in their first few events. If a junior wishes to progress from motorkhana to khanacross they are highly encouraged to use a manual, if this is not possible they can apply to the director of the day for use of the automatic, this will only be given in special circumstances

### **Contact List**
