# Presidents Report.

What a great day nighter we had, to those who went somewhere else you missed a great event. Jim Coomb did a great job as Director Craig Button also as Director Darden Brown Secretary Mick Elvey, Peter Hardiman and Nick Boswood were Scrutineers. Des Heagney was timing and Mark Rosenow was on the mound. Thank you to those people but we had to drag people in to help us, these days everybody wants to compete and not help. These events won't happen if you don't help out.

The track was quick and had lots of traction thanks to Shane Houlahan grading and reshaping the last corner.

On the day Mick Elvey, Jim Coomb and Nick Boswood were there at 8:30am. Jim Coomb rolled and smudged the track while Mick and

Nick set up the track and rebuilt the tyre wall. We need some people to step up and take charge and help at your club days and major events OR they will not be happening. It doesn't hurt and you still have great fun.

We will need help as two members stepping away from the committee, one stepping away from events.

We have spent some money on getting the dam dug out and there are 6 loads of gravel at Bagshot.

The next event is at Bagshot and the track should seem like a highway. See you all there to give Brad Hall a hand at running this event. See you in the MUD

See you all at the club meeting

## **Bendigo Car Club Committee Vacancies**

With the BCC Annual General meeting coming up soon it's time to think about the direction of the Bendigo Car Club. As with every year there are 4 committee members who are finishing their term on the committee as required by the club constitution, however this year there is also a casual vacancy. If you are interested in having a say on the future of our club, please consider putting your hand up. Nominations will be taken from now until the night of the AGM.

## **Bendigo Car Club working bee**

A working bee on 30<sup>th</sup> July is planned and will carry 10 points per attendee towards the 2016 BCC Club Championship.

## **FOR SALE**

### **'1972 Datsun 1600'**

I have a Datsun 1600 in standard condition for sale.

I am the third owner of this vehicle.

The car is registered and due on 26th January 2017.

Engine number is L16 118706 and matches body number.

Front seats have been changed and are not standard, and unfortunately I don't have the originals.

Standard wheels with standard hub caps.

Worth an inspection if you are after a standard type vehicle.

Vehicle is garaged in Bendigo, Victoria.

Please call for more info.

## **CLUB MEMBERSHIP RENEWALS**

Any future club membership renewals will only be able to be done at the monthly General Meetings, renewals will no longer be accepted at pre-event check-in at BCC events. Membership renewals will only be accepted if a Membership Renewal Form is accompanied by the relevant fees, forms will be sent out with the May Crossflow, they will/can be found on the club website and a limited number of forms will be at General Meetings.

Other arrangements can be made with prior approval of the membership secretary.

The current membership fees for the Bendigo Car Club are as follows:

Full (adult)                      \$90

Junior                                \$40

Family, one full membership plus \$30 for each extra family member.

There is also now the option of direct deposit for payment of membership fees, details of which are on the application/renewal forms.

# **VICROADS CLUB PERMIT SCHEME**

As of the 1 February VicRoads have changed the requirements associated with the Club Permit Scheme, these new requirements can be found on the VicRoads website <https://www.vicroads.vic.gov.au/registration/limited-use-permits/club-permit-scheme>

With the VicRoads requirements in mind the BCC committee have reviewed the club's CPS requirements, below is an overview what is now required, the VicRoads requirements will also need to be read in conjunction.

- Full Roadworthy for all new applications. (post 1948)
- All new applications will need to supply a set of dated photos for future reference to the Club Permit Scheme (CPS) Officer. (See below)
- All renewals for the next 12 months must also supply same photos as above.
- All Applications and Renewals to be processed at BCC General Meetings or at a Committee Meeting by appointment, owner must bring vehicle to the meeting where CPS Officer will review the supplied photos against the CPS vehicle, before signing the renewal.
- A copy of all permits/photos/etc will be kept in a locked cabinet at the BCC clubrooms, there will be three (3) authorised signatories, who will have access to this cabinet.
- There will no longer be an annual inspection unless the CPS Officer believes the vehicle has been modified beyond the requirements of the CPS scheme or the vehicle appears to be in an unacceptable standard of condition for a Club permit.
- For all New Applicants they must be a member for at least 6 months and attend at least one BCC General Meeting and one BCC event as a competitor or official, prior to applying for a Club permit.
- Permit holders must still attend at least 2 BCC General Meetings and 2 BCC Events during the permit year before the CPS officer will sign off the CPS Renewal.

Photo requirements are as follows, all photos to be dated and verified.

- Front View.
- Drivers Side, door closed.
- Rear View.
- Driving Position, side view with driver's door open.
- Engine Bay
- Where possible, Identifiers such as, Chassis and or Engine No's.
- Other photos may be requested by the CPS officer.

## **Weather shelter.**

As you should have read in previous Crossflows, we are still missing a 3X3mtr Blue foldup weather shelter with the Bendigo Car Club logo printed on one side, after the Mt Tarrengower Hillclimb. What we ask is that in your travels please keep an eye out for it at events you are attending and if you see it please let someone know.

## **BCC JUNIORS CARS**

We need somebody to look after the club cars on event days please. Contact Mick Elvey on 0428506492 if you can assist thank you  
At the July BCC General Meeting a motion was passed to restrict the use of the club's automatic junior cars to the motorkhana part of the day. This has been brought about because of the need to preserve these vehicles for young novice juniors in their first few events. If a junior wishes to progress from motorkhana to khanacross they are highly encouraged to use a manual, if this is not possible they can apply to the director of the day for use of the automatic, this will only be given in special circumstances

### **Contact List**
