Presidents Report.

Well club members we have run our biggest event for the year, Mt Tarrengower Hill Climb and it was a great success. Thank you to all officials on sat and sun and those who helped both days. Also thanks to those who helped set up and pack up. Last year we lost one of our shade shelters well we have that back now. I think it was part of Bill and Teds amazing adventure.

A big thank you to Chris Hume and myself for running the event, to Craig Button for his administration effort and last but by no means forgotten Peter Valentine chair of the Mt Tarrengower panel who ties it all together.

Everyone who competed had a great day. The motor bikes enjoyed it as did the emergency officials. We have two more events to round out the year.

Our presentation night on the 10th of December will be a great night and we should have a guest speaker too so be early and book, more details later on.

Our meeting at National hotel was well attended in a private function room. Everyone there thought it was a great idea.

Well done and thank you Craig Hardiman

MAINTENANCE REPORT

Well our dunnies have not been started or finished, maybe by Christmas. The quotes have been accepted so hopefully work will start soon. There will be a small working bee on the 5th on November the Saturday before our club day. We will need a rideon mower, two hand mowers a couple of whipper snippers. The grass is a meter high in some places around the canteen and toilets. That's four people we will need another three to put up the tyre walls and somebody for the tractor and roller as the grader will be in action on the long course track. Also a couple for general tidy up. There should be some pictures on face book of the grader going around. If we don't get this work done on the 5th Nov after drivers briefing on sun 6th we will have a one hour working bee, so it's up to the members to show up if you can

With the VicRoads requirements in mind the BCC committee have reviewed the club's CPS requirements, below is an overview what is now required, the VicRoads requirements will also need to be read in conjunction.

Bendigo Car Club Championship Points 30/10/16

Overall TOP 5

- 1st Brendan Paynting 160 points
- 2nd Chris Hume 146 points
- 3rd Brad Hall 140 points
- 4th Rod Martin 122 points
- 5th Rhys Wagner 121 points

As of the 30th October 2016 the overall championship standings see Brendan Paynting sitting comfortably out in front, with Chris Hume 14 points behind in 2nd and Brad Hall 20 points behind in 3rd position. Over the past few years Brad and Brendan have become accustomed to fighting it out for the first two positions and this year is an exception. One notable name that is missing from the top 5 is John Hardiman, John missed Twilight Khanacross on the 14/5 and this sees him out of the top 5 on 95 points. Moving into the top 5 however, is the surprise packet of the championship so far Chris Hume. Chris has currently driven his two wheel drive Escort into 2nd outright has had a consistent year so far competing in every event. In 4th Rod Martin has helped Chris keep the all wheel drives honest and currently sits on 122 points, close enough to take 3rd from Brad in the last two rounds. Rounding out the top 5 is Rhys Wagner, another consistent effort on 121 points and also yet to miss an event. With Working Bee points still to be added and two rounds left, there could be some surprises to come in the standings before presentation night on the 3rd of December. The last two rounds of the championship will be the November Khanacross and the Long Autocross on the 20th. Be sure to get along and have a drive before the Christmas/New Year Break.
