Presidents Report

Well club members it's the start of a new year and will be as busy as usual, so we will need all the help we can get. Our first event is the Working Bee/Test and Tune day on the 5th of February and you must be at the working bee to sign on for the Test and Tune. If you do not attend the working bee you cannot test your car. The working bee will start at 9:00 and please remember that the Test and Tune is for members to test their cars and is not to be treated as a 'fang fest'. Also for the running of the Test and Tune we will have half our member's officiate, while the other half tests their cars. Then we will swap over so those who officiated first can then test their cars.

On another note, due to a family matter and other personal issues I will not be attending any events for the next 6-7 months. I will still be at the club and committee meetings but we will need someone to fill the role of property officer and organise track/complex maintenance for this duration.

Mick Elvey
President

Tanya and myself are now compiling Cross Flow and welcome any new ideas that anyone may have. We look forward to publishing any event reports that you may have, any features on cars that you may be building, classifieds and any other point of interest that you would like to share with members of the club. Please feel free to email us on tcj.castle@bigpond.com and we will publish in a future edition.
