Presidents Report

That time of the year has come around again, Annual General Meeting this coming Thursday, 5th August. It is planned to be a big night with a trophy presentation between the general meeting and the AGM, there are COVID restrictions in place which we will adhere to throughout the night.

Since the last newsletter it's been a busy time for the club, even with lockdowns we were able to run the first 2 rounds of the club championship as rounds of the Victorian Motorkhana Championship and the Victorian Khanacross Championship round run by our club. Considering boarder closures and the uncertainty with lockdowns both events were well supported, with BCC members doing well with Brian Shanahan 4th Outright in the VMC and Brad Hall taking the Outright win in the VKC.

There is a little break before the next event on the calendar, that being the Day/night autocross on the 4th September for round 3 of the BCC championship.

The Vicroads Club Permit Scheme conducted a review that finished mid July, at this stage we have not been notified of any results from that review, we will pass on any updates when they happen. In saying that at the last general meeting there was support to continue with the requirement of members who have vehicles on a CP to attend at least 2 meetings and 2 activities of the club withing their permit year. The activities include working bees, events run by the club or any social activity that the club organises. There is also the acknowledgement that some people are unable to fulfil this and they can apply for a case by case to the club's signatories for an exemption. COVID has and continue to play havoc with our activities, this means there may be some leniency at the present time.

To finish off I would like to remind everyone we have a couple of vacancies on the committee, I ask anyone who is interested in joining the committee to put your hand up before 8pm Thursday.

See you on Thursday at the clubrooms
Yours in Motorsport
Craig Button
