Presidents Report

Another month into to the year and fortunately things are starting to look close to some sort of normality, with a few exceptions, however we have to be vigilante in these times. To help us comply with the COVID requirements we now are using the QR codes at the clubrooms and Bagshot, please use them, this reduces the need for someone to take names and numbers of everyone in attendance.

On to the good stuff, last month we ran 2 very successful events, the Salesyard Dash and our round of the VCAS. With smaller numbers than we normally see at either event was actually a blessing meaning everyone go value for money with on track time.

The Dash was run as a Khanacross for the first time, meaning the courses were longer than previous years and with the new layout meant new test styles, all the feed back was very high and there has been preliminary talks with the auto test panel about running part of the VKC and/or the AKC in the future.

With 60 entries for the VCAS and very dusty conditions, the timing team had to be on the ball to keep the event rolling. In the end everyone was given the opportunity to have 6 runs with their best 3 counting. The track conditions apart from the dust were excellent and with a smooth track times did not drop off much as the day unfolded, meaning the final result was not achieved until the final run.

A BIG THANK YOU TO ALL MEMBERS WHO HELPED OUT WITH THESE EVENTS, without your help these things just do not happen. THANK YOU.

On to the next event on Saturday 8th May, at Bagshot, for our annual day/night Khanacross, Supp Regs will be emailed out to members and be on the club website, also with a link from the Facebook page. Leanne Holt will be offering the usual lunch menu and for the evening she will be offering freshly cooked roast beef and gravy rolls, YUM!

In the meantime, see you all at our General Meeting on Thursday night.

Yours in Motorsport.
Craig Button

In the News: - Adrian Stratford.

Congratulations to Adrian Stratford and Kain Manning for winning the first round of the Motorsport Australia Till Hino Victorian Rally Championship in their Ford Fiesta. After not having the greatest of starts to the Rally they managed to work their way up through the various stages and with their first stage win under their belt they claimed the overall win.

And on a lighter note:

- ❖ Sometimes, when I'm cruising the city in a \$200K vehicle, I lean back and think, "If the bus driver doesn't speed up I'll be late for work."
- ❖ You're so old that your first car was a covered wagon
My life is a lot like that driver who signals right, but turns left
