The Bendigo Car Club committee met on Thursday the 20th of March for their monthly committee meeting.

At this meeting as you all can expect the topic of the COVID-19 and the impact it would have on the Bendigo Car Club.

The committee decided to postpone all planned events until further notice. As well as this, the **BCC General meetings WILL NOT** be held as well as any activity at the Bagshot Motorsport Complex is prohibited until further notice.

Activities affected at this stage include

- the Eddington Sprints (28th March)
- The April BCC General meeting (2nd April)

- The Salesyard Dash (11th April).

As developments happen, members will be contacted via the BCC website, email and Facebook.

This is unfortunately a situation none of us would like to be in and we did not make this decision lightly.

President, Bendigo Car Club Inc.

# Presidents Report

Well, things happen fast.

At the March committee meeting we made the about decision about our club activities, since then both the federal and state governments have introduced social limits that overrides any attempt to hold a meeting or event by our club in the foreseeable future.

The committee will still be having discussions via phone/text/email so when the restrictions are lifted, we as club, can start to resume activities as we are allowed to.

Those members who have vehicles on the Vicroads Club Permit Scheme, or wishing to put a vehicle on it will still be able to renew or apply, you will need to contact one of the 4 authorised signees, John Hardiman, Mick Elvey, John Orr or myself, to make arrangements on how you can do so. At this stage the Vicroads office is still open with social distancing, however if you are not will or able to attend the office you can send the signed paperwork to their head office in Melbourne to be proceed. This may change as government requirements changing on a daily basis.

As this newsletter is being written, Mick Elvey and Jim Coombs have been planning maintenance at Bagshot while we are not allowed to gather in groups.

Even though the club is effectively going into hibernation I hope to keep the lines of communications open with all members with any updates that may come along.

These are troubling and worrying times for everybody in the community, not just members of our club. On behalf of the committee I would like to convey our support to anyone who is affected in this time and wish everyone stays safe.

Yours in Motorsport  
Craig Button.
