## Presidents Report

That is the year nearly done, and what a year it has been or not been.  
Firstly, I would like to pass on a Merry Christmas and a Happy New Year.

The year has been a challenging one but there was a little light at the end of it with 2 events to finish off, thanks to the committee for their efforts in working to get these events off the ground and letting me have a little creativeness with the change of format for the Salesyard event.

This week we can get back to the clubrooms for a meeting, Yah, there will still be minor restrictions but I for one am looking forward to catching up with our members again. You should have all received an agenda for the AGM on Thursday, see below, there are 2 vacancies on the committee if anyone would like to get onboard for the balance of the membership year to lend a hand, please let Chris Hume or myself know before the AGM starts to make your nomination formal.

Under normal circumstances we would have been celebrating a club milestone which not many clubs have achieved, 70 Years!!! The committee will be planning to host an event to mark the anniversary sometime in the new year, it is hoped that we can contact as many previous members as possible to join in on the night.

Looking to 2021 we have planned a full calendar with a mix of events for our members as well as outside hiring of the Bagshot complex to help with fundraising towards projects planned, the committee through Jacque are continually looking for funding grants to improve our facilities and after the unfortunate issue last month one of our priorities is getting power connected so security can be upgraded to protect what we have. Financially this is a big undertaking but we are hopeful we can make this happen sooner than later.

I'd like finish off with a few thank yous, I know I will miss someone many, anyway here goes.

- Karyn Flynn, she came forward to help with the Crossflow each month, this has help us to communicate with all of you.
- Chris Hume who had to step back from the presidents job due to work commitments last year but continued on as secretary as well as providing valuable feedback to myself and the committee on ideas floated.
- Mick Elvey, who also was there to bounce ideas off and guide us along the way, Mick also help organise the major work being done at Bagshot during the upcoming break.
- Jim Coombs, spending many hours at Bagshot getting the tracks sorted for the few event we ran and general maintenance of the complex.
- Leanne Holt, who stepped up to look after the canteen after Cheryl and Ken wished to step back, admittedly she hasn't had a lot to do with all the COVID down time forced upon us.
- Jacque Carol, for securing a few minor grants that will go towards our Bagshot upgrades, hopefully she can "snag" a big one for us.
- Lastly, but not least, my wife Deb for allowing me to enjoy this great club.

I know there are a lot of other people that get involved with all aspects of the club and this is always appreciated.

Yours in Motorsport  
Craig Button

## Huntly Saleyards Dash.

A small field came out to the Huntly Saleyard for the final BCC event for the year.

The new layout tested the field with only 3 drivers not getting a Wrong Direction for the day, but those 3 still received cone penalties.

In the end it was 0.87 between Brendan Paynting and Tony Stokes in second.

Thanks to all those who helped out on the day. Photos curtesy of Brian Shanahan.

Winners on the day were:

Brendan Paynting  
Brian Shanahan  
Craig Button  
Chris Hume  
Adam Button

And on a lighter note:

- ❖ Last Father's Day my son gave me something I always wanted: the keys to my car.
- ❖ Two dogs are walking along a street. They are passed by a third dog driving a lorry load of logs. One turns to the other and says: "He started fetching a stick and built up the business from there."
- ❖ A mate said he saw several elderly men repairing shoes in the back of a van. I reckon it's a load of old cobblers
