The purposes of the Bendigo Car Club are to provide competitive motor sport and social motoring options to individuals and families from Bendigo and surrounds in a safe, helpful and friendly environment

Presidents Report

Bit late this month due many things, mainly the current state of play with the pandemic. Hopefully we can get things going again in July, we are planning a casual presentation evening for the 2020/21 club championship at Maiden Gully, it will be an after-dinner function, those wishing to bring drinks and nibbles will be welcome and depending on the night there might an opportunity for an evening around a fire.

The Vic Off Road round has been postponed due to the ongoing restrictions with the piggery, I have been in constant communication with the local management, it is hoped we can get back in there later in the year, finger crossed.

The first round of the Bendigo Car Club 2021/22 championship will be held as part of the Victorian Motorkhana Championship on the 10th July at Huntly. This normally is only a round of the junior section of the championship, this year the committee decided to include it in the outright. The points require members to drop their worst round of the season, so those that normally do not compete in the shorter style of events can have a run without too much damage to their aspirations.

Club memberships are coming due at the end of June, fees have stayed the same as last year with a \$10 discount for members who pay their fees before the 31st July

Depending on COVID government restrictions our 2021 AGM 5th August, as usual this is your chance to join the committee to help shape the future of the club going forward, nomination forms will be available before the night.

BCC 2021 Calendar:

And on a lighter note:

- ❖ It's time for a new car if you can leave your car parked, unlocked, keys in the ignition, and not worry about it being stolen.
- ❖ Why can't cars play football? Because they only have one boot
- ❖ Apparently I snore so loudly that it scares everyone in the car I'm driving.
