Presidents Report

This month has crept up on us all.

First of all I would like to thank everyone for coming out to the working be at Bagshot, Jim had a list of items to be attended too, this was achieved as well as much-much more.

After a quiet time we will be very busy over the next couple of months, with something on each of the next 5 weekends, a list of which is blow and any regs etc will be sent to members via email.

Motorsport Australia is moving to a "contactless" era with licences going online via their app, if anyone is having any issues with this new tech, please let us know s we can help you out if we can.

Even with the lockdowns and restrictions the members of the committee have continued to be active, one of the things following up to close out the debentures from the club had to raise funds to purchase our clubrooms, we have also applied for several grant opportunities, one of which if successful will allow us to connect to the power network at the Bagshot complex.

Finally I would like to invite all current and past members of the Bendigo Car Club and The Light Car Club of Australia, Bendigo Branch to celebrate not only our 2019/2020 Club Champions, but to mark the 70th Anniversary of our wonderful club on the 13th March. The night will commence from around 7:00pm with light finger food supplied on the night. Please RSVP to enquiries@bendigocarclub.com.au or 0427 511158 for catering purposes.

Yours in Motorsport
Craig Button.

And on a lighter note:

- ❖ I always adjust the seat and mirrors when I drive my husband's car so he doesn't forget he's married
- ❖ The worst thing about parallel parking is witnesses.
- ❖ There were plenty of lookers-on but no witnesses.

Don't forget to check out our website: www.bendigocarclub.com.au , there are some great action shots – are you one of them?
