The purposes of the Bendigo Car Club are to provide competitive motor sport and social motoring options to individuals and families from Bendigo and surrounds in a safe, helpful and friendly environment

Presidents Report

The BCC committee had a Zoom meeting in April to touch base with each other and discuss a couple of things around our current status in these uncurtain times.

Firstly due to the club not actually being active with meetings or other activities the committee voted to give a limited discount on club membership renewal for the 2020/2021 membership year. If renewal is received before the 31st July 2020 a \$10 discount per renewal will be given. At this stage this is only for this year given the current status.

For members with vehicles on the Vicroads Club Permit Scheme, you are permitted to drive your vehicle as long as it is for one of the reasons allowed as part of the government restrictions, as a guide when filling in your logbook DO NOT write Cruising, write what you are actually using the vehicle for, eg going to work, going shopping, etc. You will still need to have a current club membership.

To get your renewals signed please contact one of the permit officers to arrange this, Vicroads are still allowing over the counter renewals.

Looking to the future the committee are monitoring government guide lines and social expectations. In the meantime we are provisionally organising a couple of events, that are currently calendared, with Motorsport Australia permit applications as well as other bodies that have long processing times. These will only go ahead if the social distancing requirements are lifted and we as a committee/club/event officials believe it is safe to do so.

A draft calendar for the 2020/2021 Pt 1 is currently being discussed by the committee, this will all be provisional give the current situation.

BCC COMMITTEE – just exactly who are they??

Let's start with the President – Craig Button

- Occupation: Maintenance Fitter
- Family: Wife, Deb and 2 boys, Adam and Brock.
- How long have you been a member of the BCC: 19 years
- Position within the club: current President
- Your back ground in motorsport: I have been competing in off road for nearly 30 years, starting out in a class 2 1600cc buggy, since then I have built and raced several tintops. With off road being my passion I have been a member of the Vic off road panel for 20+ years and I am the current chairman of the panel.
- What car/s do you race: My main race toy is my Off road ute, No 469, That I build about 12 years ago, other vehicles I currently have that I have competed in are: Toyota Corolla off roader, with 3.8lt Holden power (it's the one son Adam roller last year), a Honda N360 Scamp in our historic events and finally a VK 5.0lt EFI at the Saleyard's events with my son Adam.

- Do you have any collectable vehicles you enjoy, when allowed: I have several, some people say I have too many, I have made the most of the Vicroads CPS with a total of 7 vehicles on it, Trans-am, Torana, 3 Commodores, Honda Scamp and my Chev truck, plus 3 other projects on the way.
- If you had a free pick of any vehicle to add to your garage, what would it be and why: 1972 Corvette Stingray, 454ci, Red Convertible. I saw my first Stingray in the flesh in the mid '70s and was blown away, from then on I've always had a passion for American muscle cars.
