Presidents Report

Welcome to another month, they seem to be rolling around quicker and as the end of June approaches, there are a couple of things to keep in mind:

Our 2021/2022 club championship coming to an end after the June BCC Khanacross it means there are only 2 rounds left.

The BCC membership year is coming to an end, so keep an eye out for the 2022/2023 membership renewal form and reminders, if memberships are not renewed, you will not be able to race and those that have vehicles on the Vicroads CPS you will not be covered by the permit.

We also have our Annual General Meeting in August; this is where you can have a major say in the future direction of the club by nominating for the BCC Committee.

This year on Easter Saturday, we welcomed crowds back to the Salesyard Dash after the last couple of years of COVID restrictions, a smaller than usual field of 29 drivers took on the Khanacross layout that we have been using for the last 18 months, this produced some interesting attempts of the courses and some fastish tests. The results were not settled until the last run of the day as most of the front running drivers incurred penalties of some type, in the end Brad Hall took the honours, list of class winners is listed below and the full results have been sent out via email and on the website. A big thank you to all that helped on the day.

Jacqui had also co-ordinated the show and shine, through her contacts she was able to obtain the use of some very impressive vehicles, these were complimented by BCC members and the public bringing the rides out in the sun for the day.

Last weekend a few members head out to Strathfieldsaye where John Strauch's father had donated a 20' x 40' shed to the club, this was dismantled and is now stored at Bagshot for our next project.

A big thank you to the Strauch family for this.

Our next event in the BCC Day/Night Khanacross on Saturday 7th May at Bagshot, the Supp Regs will be emailed out along with this Crossflow and on the club website.

See you all at the May General Meeting this Thursday (5th) at the clubrooms form 8pm.

Yours in Motorsport.
Craig Button.
