Presidents Report

Hands up who is becoming more and more frustrated with the ever-changing conditions we have to work under! It's getting hard to find enough to fill my monthly report.

In saying that our club is weathering the storm reasonably well, we have been able to have a few events between shut/lock downs, there are many organisations that have not been able to have any activity apart from online meetings.

The committee have continued to work behind the scene, although there has not been a lot to do, the working bee at Bagshot, given the late notice was reasonably attended and some good work was done by Jim, Mick and team around the complex, thanks for those that attended.

As I am typing this report the current restrictions allow us to run a Test and Tune/Practise Day but not competition So this coming Sunday we are planning to run a Test and Tune Day, the paperwork has been submitted to Motorsport Australia for approval, watch for a follow up email with further information.

Over recent months there has been discussion around the Vicroads CPS and the proposed changes that were put forward, it was my understanding that only one that was upheld was the change in the penalty and fine structure for non-compliance, which is good news for all of us.

This coming Thursday at 8pm, we will once again hold a Zoom General Meeting, again a follow up email will be sent with the login details, this is not the ideal situation considering we have clubrooms etc, but rules are rules.

Yours in Motorsport.

Craig Button

And on a lighter note:

Paddy finds a sandwich with two wires stickin out of it.

He phones the police and says "Bejusus I've just found a sandwich dat looks like a bomb."

The operator asks, "is it tickin?"

Paddy says "No, oi tink it's beef"

Paddy says to Mick, "Christmas is on a Friday this year"

Mick says "Let's hope it's not the 13th."

Paddy's in the bathroom and Murphy shouts to him. "Did you find the shampoo?"

Paddy says, "Oi did, but it's for dry hair and I've just wet mine."
