## Presidents Report

Another month of what seems like nothingness.

With no official activity going on, this is not going to be a long report. The committee are still active with things like, looking for fundraising opportunities and processing the clearing of the debentures (thanks to Glenyce).

Fingers crossed there is light at the end of the tunnel so to speak. If restrictions are lifted to somewhere near what they were in July we are in the planning process for 2 more events before the end of the year, keep an eye on the website and Facebook page on progress of these, again it will take a little bit to get these of the ground but we will try.

A new feature in the Crossflow that we will be trying to set up is a directory of members who wish to list their business/services so our members can support each other. This list will be free to BCC members. If you would like to be involved please send through your details so we can get started.

I would also like to alert you all to something that happened recently. One of our members sold the car they had been using at our club events and had a club issued logbook. The logbook went with the car, however the new owners used the car in illegal activities and dump the car. Upon investigation the police found the book and contacted the club about the history of the car (the old owner did nothing wrong). I suggest that if you sell your car you keep your logbook or return it to the club.

Let's hope we can all get back on track soon!

Yours in Motorsport  
Craig Button

Now that we know our committee members, let's get to know some of our general members. If you would like to be featured in next month's newsletter, please submit your story to Craig by 19<sup>th</sup> September.

And on a lighter note:

- ❖ *I want to die peacefully in my sleep, like my grandfather. Not screaming and yelling like the passengers in his car.*
- ❖ *I gave up my seat to a blind person in the bus. That is how I lost my job as a bus driver.*
- ❖ *With the rise of self-driving vehicles, it's only a matter of time before we get a country song where a guy's truck leaves him too.*

Don't forget to check out our website: [www.bendigocarclub.com.au](http://www.bendigocarclub.com.au) , there are some great action shots – are you one of them?
