---	---

The purposes of the Bendigo Car Club are to provide competitive motor sport and social motoring options to individuals and families from Bendigo and surrounds in a safe, helpful and friendly environment

Presidents Report

Another month rolls on, September has been like most of the year so far, so October being a new month brings some good/great news, at this stage with the government being eased in regional Victoria we have been given approval to run an event at Bagshot on the 25th October, after a stop start sort of year this is a positive, as to be expected there will be restrictions as per our August event, the main difference will be face masks will be compulsory (as per government regulations). This event is for Bendigo Car Club members who live in regional Victoria ONLY, spectators are limited to BCC members and family only. Everyone entering the complex will be temperature scanned and their basic details recorded as per the Motorsport Australia return to race guidelines.

Unfortunately, we still are not able to hold a general meeting or AGM face to face, we have applied to Consumer Affairs for an extension to hold our AGM pending COVID restrictions, we are still holding hope that this will happen later this year if government restrictions are lifted enough.

November 30th this year is also a very special date for the Bendigo Car Club, it is the anniversary of the inaugural meeting of the club, if this was a normal year, we would be having a major celebration, fingers crossed this still may happen if restrictions are lifted sufficiently.

Other positive news Jacqui has been scanning the net for fundraising and grant opportunities, she has been successful with a couple to help with safety equipment at Bagshot.

The track maintenance crew have booked the earthing equipment to perform some solid track rework after our planned November event. There may be a working bee prior to this to prepare a couple of areas, so keep your eyes and ears out for when this happens.

Looking forward to get back on track and catch up with members.

Yours in Motorsport
Craig Button.

WHAT'S NEW

Motorsport Australia are changing the way they are doing their licencing, from later this year they are fazing out the physical card and going electronic with a phone app for both Apple and Android, they will be also updating their website and member portal.

National Competition Rules 2021

The draft 2021 National Competition Rules (NCR) are now available to view on Motorsport's website. Please note, these are a draft and will be updated over the coming months. A concordance document is also available for those wishing to compare the 2020 NCR with the 2021 draft NCR.

<https://www.motorsport.org.au/regulations/manual/ncr>

Crashtag – mobile app.

The Australian Institute of Motor Sport Safety has launched a new mobile app called Crashtag. The app is free on Apple Store and Google Play.

It's aim is:

- to improve safety at all levels of motorsport. It will allow for detailed reporting live on any incident which helps global safety research.
- Simplify the reporting of incidents for Event Organisers.
- Revolutionise motorsport safety by allowing AIMSS to analyse crash and medical injury data at a level like never before.

To find out more about Crashtag go to:

<https://www.motorsport.org.au/regulations/manual/ncr>

And on a lighter note:

- ❖ My wife is so negative. I remembered the car seat, the stroller, AND the diaper bag. Yet all she can talk about is how I forgot the baby.
- ❖ If you run in front of a car you'll get tired, but if you run behind the car you'll get exhausted.
- ❖ Two cheese trucks ran into each other. De Brie was everywhere.

Don't forget to check out our website: www.bendigocarclub.com.au , there are some great action shots – are you one of them?

Classifieds

Don't forget - Got a club car or parts to sell? Send us an e-mail via the website [contact page](#).
