## Presidents Report

A lot to cover this month.

- It's finally happening! Things are slowly starting to get back to some sort of normality, our Khanacross and Motorkhana on the 25<sup>th</sup> October went off well, winners are listed below and the results had been sent out and are on the club website.
- It is planned our next event will be on the 28<sup>th</sup> November at the Salesyard at Huntly, it will be a motorkhana, but the format will be different to previous times out there. The Supp Regs and entry forms will be sent out in a separate email, again under the "Return to Race" policy there is to be no spectators etc. as per our previous events this year.
- A proposed draft 2021 calendar is attached to this newsletter for the second part of the 2020/2021 BCC championship and the first part of the 2021/2022 championship. This is COVID pending and subject to alterations throughout the year.
- With the easing of restrictions on gathering sizes we are planning to have a meeting at the Maiden Gully clubrooms on Thursday the 5<sup>th</sup> of December from 8:00pm, this will also be followed by the 2019/2020 Annual General Meeting.
- Now the disappointing news from earlier this month, sometime between Sunday the 1<sup>st</sup> and Thursday 5<sup>th</sup> our Bagshot complex was broken into. The gate lock was cut, the 40ft container lock was cut and the BCC Junior Ford Falcon was taken, they had removed a sheet of the machinery shed and cut a lock inside that. They had tried to start the tractor and the Pajero (unsuccessful) and it looks like the portable generator was taken. This has been reported to the police and fingerprinting has been done.
- Travis Holt and Bendigo Ford have donated a replace vehicle which is currently at a members house being prepared for use by our juniors. Thank you to Travis and the guys for this.

See you on the at the track and/or meeting

Craig Button

President.

- ❖ A dad is washing the car with his son. After a moment, the son asks his father, "Do you think we could use a sponge instead?"
- ❖ Confucius say, man who runs behind car will get exhausted, but man who runs in front of car will get tired.
- ❖ My sister bet me I couldn't make a car out of spaghetti. You should have saw her face as I drove pasta
