Presidents Report

Welcome to 2020! Hope everyone had a good Christmas/New year holiday season.

If you are reading this, you will be aware that the monthly BCC newsletter is back on, thanks to Karyn Flynn who has offered to take this important service on.

Firstly, I would like to thank Craig and Tanya Hardiman for their effort in publishing the newsletter before a change of circumstances meant they no longer had the time required.

The first half of 2020 sees the second half of the 2019/2020 BCC championship which kicks off on the 1st March, but before that we have a working bee on the 23rd February to make sure everything is set for the season ahead. Jim and Mick will have a list of items to be done on the day.

It is hoped this year that any event regulations and entry forms, as well as being posted on the BCC website and linked from the Facebook page they will be sent out along with the monthly newsletter. Please keep an eye out for them each month.

The committee are currently working through a few items at the moment to help the club along, more information on these will be discussed at our monthly meetings.

Look forward to seeing you all this year.

Yours in Motorsport
Craig Button

The screenshot shows the Bendigo Car Club website. At the top left is the club's logo and name. On the right, there is a 'Contact Us' link with the phone number 0427 5 111 58 and a search bar. Below the header is a navigation menu with 'Home', 'Club Information', 'Archive', and 'Contact'. The main content area features a large image of a white classic car drifting on a dirt road, kicking up a large cloud of dust. Overlaid on the image is a text box for the '2019/20 Championship Calendar Part 2' event, scheduled from Wednesday 20 Nov, 2019 8:00 am to Friday 28 Feb, 2020 5:00 pm. Below the image, the text reads 'WHAT'S HAPPENING?' followed by the tagline 'There's Always Something Going On'. At the bottom, a paragraph invites visitors to find out what's coming up at the club, listing events like motorkhana, khanacross, autocross, rally sprints, off road, and hill climbs.
